

MISS HAPPINESS HANGALI
P.O BOX 993
HANDARI - CHAMWINDO
DODOMA.
25 OCT 2009.

Dear

Eckard and all friends of yours.

I think you're doing great as God wishes, all the time. To my side I'm almost fine, together with my family and friends.

My ambition of taking paper and pen and writing this letter to you, is just to say "hello" to you and all friends of yours; but what forces me to write this letter is just to pay my deepest thanks from the bottom of my heart for all good things you did to me as an orphan. I would like to tell you that "Thanks". May God be with you all the time of your life.

Secondly, I would like to inform that I have completed my studies of teaching and now I am teaching at Dodoma region, Chamwindo district, at Handari village. I'm really enjoying my work even though I'm facing some difficulties, such as lack of teaching material, example books, chairs which cause pupils to stay (sit) down on the floor, so make ~~make~~ the pupils to be ~~the~~ not active and creative; Also we don't have good staff room, with enough chairs.

Lastly, I warmly welcome you all in Dodoma, especially Handari village, when you get time. Contact me through cellular phone 0782091547.

It's me your friend (orphan)
Hangali.
